RE: ADDENDUM NO. 1 TO REQUEST  
FOR PROPOSALS (RFP) PACKAGE

ANC Terminal Water Main  
Improvements Design Services  
RFP 25222033

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. Submittal deadline is not changed.
2. QUESTIONS & ANSWERS:

Q1: Under proposed project staff, for Civil Engineering it says that a Type T License (structural) is required. Is this a typo?

A1: Yes. Reference Request for Proposals Package, Part C, criterion #4, item #3 is changed as follows:

"3. Civil Engineering\* (Alaska AELS Type C License)"

Q2: If a firm holds a term agreement for Construction Administration, would the firm be precluded from submitting on a design project that may be listed as a possible contract on the CA term?

A2: Due to the potential for conflicts of interest, the Design Firm is precluded from providing Construction Administration (CA) on the same project. In the case of the ANC Terminal Water Main Improvements project, all interested offerors are encouraged to submit a proposal. The Contracting Agency would explore all available options for the provision of CA services to avoid conflicts.

All other terms and conditions remain the same.

**END OF ADDENDUM**

We appreciate your participation in this solicitation.
